**About the team:**

Our accommodation teams are responsible for upkeeping the high standards across our parks. A big focus for our teams are providing excellent levels of cleanliness to improve guest feedback scores.

**About the role:**

As our Cleaner you will be hands-on in the delivery of high-quality cleaning standards, so that our guests can enjoy a holiday home that is clean and presented to a very high standard.

- Cleaning holiday homes to high-quality standards.
- Managing your own workload to deliver the required number of cleans.
- Work with the Accommodation Supervisor to implement new ways to improve guest feedback scores.
- Ensure you are using chemicals and cleaning materials safely and within COSHH guidelines.
- Putting our guests first, you will build positive relationships to resolve guest queries with minimal disruption to their stay with us.
- Report any repairs to the Accommodation Supervisor.
- Live and breathe our Company Values, bringing to life a culture of positivity, professionalism, and friendliness.
- It is your responsibility to report any weakness or breach that you identify within the Company's information systems or services (even if only suspected).
- Safeguarding is everyone's responsibility, and you have a duty of care for your own health and safety and that of your colleagues, guests, and visitors. You must report any concerns and co-operate with management to enable it to comply with its health and safety and safeguarding accountabilities.

**Skills and qualifications required for the role:**

- High levels of self-discipline to consistently deliver high standards of cleaning.
- The ability to work at a fast pace.
- A positive and friendly manner when communicating with guests and colleagues.

Whatever you do, please don't filter yourself out! We are often flexible when considering an applicant's skills and experience for a role. So, don't be put off if you don't tick all the boxes.

Parkdean strive to be a force for good for our parks, people, and planet. Our passion is to secure the sustainability of our business, create positive change, and leave a green footprint for future generations to enjoy.
